

## Specification Sheet

Product Name	Anti-Human SLPI Antibody
Presentation	Rabbit polyclonal to human SLPI
Immunogen	Synthetic peptide to an internal sequence of human SLPI
Source	Protein G purified IgG fraction of rabbit antiserum.
Solvent	PBS, 15 mM NaN <sub>3</sub>
Concentration	200 µg in 1000 µl
Storage	Store at 4 °C, do not freeze
Sterility	0,2 µm membrane filtered
Stability	Under recommended storage conditions, product is stable for one year from the date of shipment.
Application	Rabbit Anti-Human SLPI Immunglobulin is well-suited for a variety of applications including Western blotting, ELISA, immunohistochemistry on cryo and paraffin sections
Application notes	For IHC use a dilution of 1:100 – 1:1000
Research Use	For research use only, not for use in diagnostic procedures
Lot	006
Code No.	R01HPK-SLPI13-200
